SUMMARY

Aspiring AWS Cloud Engineer with hands-on experience building scalable AWS infrastructure using Terraform and Linux. Skilled in cloud automation, monitoring, troubleshooting, and infrastructure deployment through real-world projects.

TECHNICAL SKILLS

Cloud: AWS (EC2, S3, VPC, IAM, CloudFront, Route53, ALB, ASG, RDS, CloudWatch)

Infrastructure as Code: Terraform

Operating Systems: Linux (Ubuntu, Amazon Linux)

Version Control: Git, GitHub

CI/CD: Jenkins, Maven, SonarQube

Monitoring: CloudWatch

Exposure: Prometheus, Grafana

Networking: TCP/IP, DNS, HTTP/HTTPS, Load Balancing

Scripting: Bash

PROJECTS

AWS Scalable Web Application Infrastructure | *AWS, EC2, ALB, ASG, CloudFront, RDS* 2026

- Designed and deployed a highly available AWS architecture integrating 8+ AWS services including EC2, ALB, ASG, RDS, CloudFront, and S3.
- Implemented secure networking using VPC, IAM, Security Groups, and public/private subnets.
- Configured CloudWatch monitoring and documented deployment procedures for troubleshooting and maintenance.

Automated 3-Tier Infrastructure Deployment using Terraform | *Terraform, AWS, Apache, GitHub* 2026

- Automated provisioning of a complete 3-tier AWS environment using Terraform Infrastructure as Code.
- Developed reusable Terraform modules for networking, compute, and web server deployment.
- Enabled repeatable one-command deployments through GitHub-managed infrastructure code.

HANDS-ON EXPERIENCE

- Created and managed AWS resources including EC2, VPC, IAM, S3, CloudFront, ALB, ASG, and RDS.
- Automated infrastructure provisioning using Terraform and version-controlled configurations with GitHub.
- Performed Linux administration, troubleshooting, monitoring, and technical documentation for cloud environments.

CERTIFICATIONS

- Cryptography and Network Security – NPTEL
- DevOps with Cloud Environment – Computer Society of India (Certificate of Participation)

EDUCATION

B.Tech – Computer Science Engineering (Cyber Security) 2022 – 2026

Malla Reddy Engineering College and Management Sciences

CGPA: 6.62

Intermediate (MPC)

2020 – 2022

Model Junior College

Percentage: 60
